

## **Website Design and Maintenance**

## **Policy 1.9**

The Hyde Park Library maintains a user-friendly, HTML-formatted website. Included in the content are informational pages, instructions for accessing Library services, and policies and procedures that affect the public.

- I. The website will satisfy the requirements of the New York State Education Department and be consistent with all Hyde Park Library policies and By-laws.
- II. The website will employ software that facilitates accessibility to visually impaired patrons.
- III. The Library will strive to keep its website current, organized, and well written.
- IV. All articles will be monitored and approved before publication by the Library Director,  
who will be directly responsible for all website content.

Approved October 18, 2022.
